Fleur de Lis Prayer

O God, who hast called women to a high place of honor and power in Thy kingdom, look with favor we pray Thee, upon Thy handmaidens of the Fleur de Lis. Strengthen us to hold fast to the vows of stainless life. Make our loyalties to our faith generous and strong and daily cause us to see that by serving others we serve Thee. Hear our prayer, we beseech Thee. Amen.

Fleur de Lis Pledge

Three things we pledge:

- Purity within ourselves
- Loyalty to our faith
- Service to others

## FLEUR DE LIS SONGS

1

F-L-E-U-R-D-E-L-I-S! Fleur de Lis Camp Fleur de Lis to you  
we sing.

Campers on Laurel Lake, loud our praises ring for Fleur  
de Lis

And to our colors three, we'll e'er be true  
Fleur de Lis camp Fleur de Lis here's to you!

Glory to Fleur de Lis, loyal we sing  
Now all together,  
Let the praises ring for Fleur de Lis  
Our camp's a winner, we've got the stuff  
We've got colors three, that's enough! RAH!

2

We went to the Fleur de Lis Fair, and all the girls were  
there.

And everyone for lack of the sun, was combing her  
damp, wet hair.

And everything in camp, from bloomers to postage  
stamps

Our tents, our beds, our feet, our heads  
They all got soggy and damp, and damp, and damp.

*(Half repeat the verse while the other half sing "and  
damp")*

**DRY UP!**

3

Oh, they built the ship of Fleur de Lis to sail the ocean  
blue.

And the people said the water would never get through.  
But the Lord and Mighty Hand said the ship would never  
land.

It was sad when the Fleur de Lis ship went down, down,  
down.

**CHORUS:**

It was sad, it was sad

It was sad when the Fleur de Lis ship went down to the  
bottom of the

Seniors and Mids, little Juniors went down too.

It was sad when the Fleur de Lis ship went down, down,  
down.

Oh, they put the lifeboats out on the dark and stormy  
sea

And the people cried, "Oh save the Fleur de Lis!"

But the little Juniors cried as the water rushed inside.

It was sad when the Fleur de Lis ship went down, down,  
down.

**CHORUS**

Now, the moral of the story is very plain to see  
Always wear a life preserver when you go out to sea.  
'Cause the Fleur de Lis never made it across the ocean  
blue

It was sad when the Fleur de Lis ship went down, down,  
down.

**CHORUS**

4

Come with me, to camp Fleur de Lis

Boom, boom, boom.

That's where they play the sweetest ragtime melody

Boom, boom, boom.

Let's begin with lesson number one

My honey, waddle honey waddle 'til you weigh a ton.

It's the Fleur de Lis waddle

Get that tune in your noddle.

Let your feet have lots of fun!

So, waddle with me

My honey, waddle with me.

It's like a ragtime ship on a ragtime sea.

Waddle, waddle, waddle, waddle.

Why don't you waddle with me?

Boom, boom boom.

Cha, cha, cha!

5

If I had a pair of waterwings. WATERWINGS

Back to camp Fleur de Lis I'd float. I'D FLOAT

There would I live 'til I long to be. LONG TO BE

There would I live 'til I die. I DIE

CHORUS: U-al-ee-u-al-ual-ee. AGAIN

U-al-ee-u-al-ee-i. ONCE MORE

U-al-ee-u-al-ual-ee. CONCLUSION

U-al-ee-u-al-ee-i. SECOND VERSE

If I had the wings of an aeroplane. AEROPLANE

Back to camp Fleur de Lis I'd fly. I'D FLY

There would I live 'til I long to be. LONG TO BE

There would I live 'til I die. I DIE

CHORUS

*(Following chorus say THE END)*

6

I want to wake up in the morning

Where the mountain laurels grow.

And the sun comes peepin'

Into where I'm sleepin'

And the songbird says "Hello!"

I want to wander in the wildwood

Where the rippling waters flow.  
And just stay here at Fleur de Lis  
Where the great big pine trees grow.  
HEY!

7  
Ki- yi -ki-yi-kus nobody like us.  
We are the girls of Fleur de Lis.  
Always a winnin' always a grinnin'  
Always a feelin' fine! Hey! (x2)

8  
My camp it has a first name it's F-L-E-U-R  
My camp it has a second name it's D-E-L-I-S  
Oh, I love to be there every day and if you ask me why  
I'll say...  
'Cuz Fleur de Lis has a way with F-R-I-E-N-D-S  
How's that?

9  
Skidermerink a dink a dink skidermerink a doo  
Fleur de Lis we all love you  
Skidermerink a dink a dink skidermerink a doo  
Fleur de Lis we all love you  
We love you in the morning  
And in the afternoon  
We love you in the twilight  
And underneath the moon  
Skidermerink a dink a dink skidermerink a doo  
Fleur de Lis we all love you

10  
Take a bit of ginger, take a bit of grit  
Take a bit of sunshine, just to make a hit...  
da, da, da  
Take a bit of spirit, take a bit of pep  
Put them all together  
You have Camp Fleur de Lis' reputation.

11  
Tall girls, short girls, fat and thin  
What you goin' to do when the heat comes in?  
Nothing to do, nothing to say.  
That's the time to pack your bags and go away.  
Come to Fleur de Lis where the breezes blow.  
Come to Fleur de Lis where you swim and row.  
Answer the ever alluring call,  
Come to Fleur de Lis, it's the best of all!

12  
Tell me why the stars do shine?  
Tell me why the ivy twines?  
Tell me why the sky's so blue?

Tell me camp Fleur de Lis just why we love you?  
Because God made the stars to shine.  
Because God made the ivy twine.  
Because God made the sky so blue.  
God made camp Fleur de Lis,  
That's why we love you

### SONGS FOR SPECIAL CEREMONIES

13  
Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot,  
And days of auld lang syne  
For auld lang syne my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne

14  
Bless this camp, oh Lord we pray,  
Make it safe by night and day.  
Bless the lake and mountain high  
Bless the trees and clear blue sky.  
Bless the Farmhouse oh so dear,  
Warmed and loved by campers here.  
Bless our prayer and colors three,  
For we love Thee oh Fleur de Lis.

Bless the council and our Queen,  
Bless the Hemlock Grove so green.  
Bless the things we do and say,  
Guiding us through every day.  
Bless us all who gather round,  
Keep our minds and bodies sound.  
And dear Lord when we must part,  
Keep a place in every heart.  
So what e'er we do, where e'er we be,  
We'll remember Fleur de Lis.

15  
Each campfire lights anew, the flame of friendship true.  
The joys we've had in knowing you, will last the whole  
year through.  
And as the embers fade away, we wish that we could  
stay.  
But since we cannot have our way, we'll come again  
some other day.

16  
Like the court of olden story, our three Degrees.  
Like the days of Arthur's glory, our three Degrees.

Joyful comradeship acquiring, while we work with zeal  
untiring  
Toward high ideal aspiring, our three Degrees.

Colors three inspire us ever, white, green and red.  
Lest we fail in our endeavor, white green and red  
White to healthful living binds us,  
Green of outdoor life reminds us,  
Red in loving service finds us,  
White, green and red.

Emblem of eternal beauty, our Fleur de Lis.  
Symbol of our trifold duty, our Fleur de Lis.  
Pure in mind and body ever,  
Loyal to our faith forever,  
Serving others failing never,  
Our Fleur de Lis.

17  
Now the time has come to leave  
We must be on our way.  
Although there is a pulling force asking us to stay.  
We know that it's all over, until another year.  
Our hearts are slowly sinking with every falling tear.

So let's all come together now, hold out your hands  
Enjoy the times we've had together for soon they will  
be gone.

The friends we've made we'll remember, when times at  
home are gray.  
We'll not forget the memories of these past yesterdays.

And as the sun is setting, our eyes will n'er be dry.  
We'll miss the lake and clear blue sky, the mountains oh  
so high.

So goodbye my friends I love you, the years will pass us  
by.  
But still the child within us will remember days gone by.

18  
To the knights in the days of old,  
Keeping watch on the mountain height.  
Came a vision of Holy Grail,  
As they watched in the waning light.  
Follow, follow, follow the gleam.  
Banners unfurled o'er all the world.  
Follow, follow, follow the gleam  
Of the chalice that is the Grail.  
And she who would serve the Queen.  
And loyally her obey.  
In the consecrate silence know

That the challenge still holds today.  
Follow, follow, follow the gleam.  
Banners of worth o'er all the earth.  
Follow, follow, follow the gleam  
Of the light that shall bring the dawn.

19  
Friends, friends, friends we will always be  
Whether together in dark stormy weather  
We're friends, friends, we're always together.  
The red, white, green, we will e'er be true.  
Love will prevail us till death separate us.  
We're friends, friends, friends.

20  
God looked down upon the earth and saw this land, and  
then he knew.  
He saw the lake, the mountain and the Hemlock Grove  
and sky so blue.  
He foresaw a camp for girls that soon would be A  
summer dream for you and me.  
Fleur de Lis, Camp Fleur de Lis.

Here on Laurel Lake where pine and hemlock grow  
we've had our dream.  
Here where friendships start and flourish day by day,  
and faces gleam  
We will e'er be true to our trifold Vow,  
The sacred three red, white and green.  
Fleur de Lis, Camp Fleur de Lis.

Soon our grand vacation to Camp Fleur de Lis will come  
no more.  
We will ne'er forget the fondest memories which we  
adore.  
We will ne'er forget the friendships we have made,  
Which in our hearts will never fade  
We'll ne'er forget Fleur de Lis.

21  
Hark! Hark! Fleur de Lis calling  
Haste! Haste! Answer her call  
Friends, fun, pleasure enthralling  
Come to camp Fleur de Lis call  
Campers old, new  
Come to Camp Fleur de Lis' call.

22  
Jesus walked this lonesome valley. He had to walk it by  
himself  
And nobody else could walk it for him, he had to walk it  
by himself.

You must walk this lonesome valley. You have to walk it by yourself.

And nobody else can walk it for you, you have to walk it by yourself.

You must go and stand your trail. You have to stand it by yourself.

And nobody else can stand it for you, you have to stand it by yourself.

Jesus walked this lonesome valley. He had to walk it by himself

And nobody else could walk it for him, he had to walk it by himself.

23

Let there be peace on earth,

And let it begin with me.

Let there be peace on earth,

The peace that was meant to be.

With God as our Father, sisters all are we.

Let me walk with my sister in perfect harmony.

Let peace begin with me,

Let this be the moment now.

With every step I take,

Let this be my solemn vow.

To take each moment and live each moment in peace eternally.

Let there be peace on earth,

And let it begin with me.

24

May the good Lord bless and keep you,

Whether near or far away.

May you find that long awaited golden day today.

May your troubles all be small ones,

And your fortunes ten times ten.

May the good Lord bless and keep you 'till we meet again.

May you walk with sunlight shining

And a bluebird in every tree.

May you find that silver lining

Back of every cloud you see.

Fill your dreams with sweet tomorrows,

Never mind what might have been.

May the good lord bless and keep you 'till we meet again.

25

No man is an island, no man stands alone.

Each man's joy is joy to me.

Each man's grief is my own.

We need one another,

So I will defend each man as my brother,

Each man as my friend.

I saw the people gather, I heard the music start.

The song that they were singing is ringing in my heart.

No man is an island way out in the blue

We all look to one above,

Whom our strength will renew.

When I help my brother, then I know that I plant new seeds of friendship that will never die.

26

Now and forever, you are a part of me

And the memory cuts like a knife

Didn't we find the ecstasy,

Didn't we share the daylight

When you walked into my life

Now and forever, I'll remember

All the promises still unbroken

And think about all the words between us

That never needed to be spoken

We had a moment, just one moment

That will last beyond a dream, beyond a lifetime

We are the lucky ones

Some people never get to do all we got to do

Now and forever, I will always think of you

Didn't we come together,

Didn't we live together,

Didn't we cry together,

Didn't we play together,

Didn't we love together

And together we lit up the world

I miss the tears, I miss the laughter

I miss the day we met and all that followed after

Sometimes I wish I could always be with you

The way we used to do

Now and forever, I will always think of you

Now and forever, I will always be with you

27

20\_\_\_\_\_ at Fleur de Lis Camp,

No other year the same

Every girl a comrade true,

Whatever school or name or fame.

20\_\_\_\_\_ at Fleur de Lis Camp

Sunset and evening glow

But it's the inspiration most,

That makes us love it so.

*(Hum the second time through singing only the last two lines)*

28

Peace I ask of thee O river, peace, peace, peace.  
When I learn to live serenely, cares will cease.  
From the hills I gather courage, visions of the days to  
be.  
Strength to lead and faith to follow, all are given unto  
me.  
Peace I ask of thee O river, peace, peace, peace.

29

Picture a camp of beauty rare  
Picture a sky so blue and fair  
Paint it with rainbow hues so bright  
And tone it down with shades of night  
Frame it with friendship tried and true  
And let it fill the heart of you  
A picture of Fleur de Lis e'er will be  
A challenge to you and me

30

Say when will we ever meet again  
Say when will we ever meet again  
Say when will we ever meet again  
Say when say when say when

31

It only takes a spark to get a fire going  
And soon all those around will warm up in its glowing.  
That's how it is with Fleur de Lis  
Once you've experienced it. It's fresh like Spring  
You'll want to sing. You'll want to pass it on.

My gift for you my friend, this happiness that I've found  
You can depend on us, it matters not where you're  
bound.  
I'll shout it from the mountain top. I want my world to  
know, that Fleur de Lis is part of me.  
I want to pass it on.

I'll shout it from the mountain top  
I want my world to know  
That Fleur de Lis is part of me  
I want to pass it on.

32

Day is done, gone the sun  
From the lake from the hill from the sky.  
All is well, safely rest God is nigh  
Goodnight, we must part  
God keep watch o'er us all through the night.  
We will meet with the dawn.  
Goodnight.

(1) This little guiding light of mine,  
I'm going to let it shine.  
This little guiding light of mine, I'm going to let it shine  
This little guiding light of mine, I'm going to let it shine  
Let it shine, let it shine all the time

(2) Hide it under a bushel "No!"

(3) Send my light to the friends I love

34

If there were witchcraft, I'd make two wishes  
A winding road that beckons me to roam  
And then I'd wish for a blazing campfire  
To welcome me when I'm returning home.  
But in this real world, there is no witchcraft.  
And golden wishes do not grow on trees.  
Our fondest daydreams must be the magic to bring us  
back those happy memories.  
Memories that linger, constant and true.  
Memories we cherish, Fleur de Lis of you.

I would like to sail the ocean blue  
Barges have you treasures in your hold?  
Do you fight with pirates brave and bold?  
Silently goes the river to the sea  
And the barges do go silently

Out of my window looking at the night

How many roads must a man walk down

How many seas must a white dove sail

Before they're forever banned?

Yes, how many years can a mountain exist  
Before it's washed to the sea?  
Yes, how many years can some people exist

Before they're allowed to be free?  
Yes, how many times can a man turn his head  
Pretending he just doesn't see?

**CHORUS**

Yes, how many times must a man look up  
Before he can really see the sky?

that way.  
But now they only block the sun, they rain and snow on  
everyone.  
So many things I would have done but clouds got in my  
way.  
I've looked at clouds from both sides now,  
From up and down, and still somehow  
It's cloud illusions I recall.  
I really don't know clouds at all.

Moons and Junes and ferris wheels, the dizzy dancing  
way that you feel  
As every fairy tale comes real;  
I've looked at love that way.  
But now it's just another show.  
You leave 'em laughing when you go  
And if you care, don't let them know,  
Don't give yourself away.

I've looked at love from both sides now,  
From give and take, and still somehow  
It's love's illusions that I recall.  
I really don't know love at all.

Tears and fears and feeling proud,  
To say "I love you" right out loud,  
Dreams and schemes and circus crowds,  
I've looked at life that way.  
But now old friends are acting strange,  
They shake their heads,  
They say I've changed.  
Something's lost but something's gained  
In living every day.  
I've looked at life from both sides now,  
From win and lose, and still somehow  
It's life's illusions I recall.  
I really don't know life at all.

89

Yesterday a child came out to wonder  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And tearful at the falling of a star

**CHORUS:**

And the seasons they go round and round  
And the painted ponies go up and down  
We're captive on the carousel of time  
We can't return we can only look  
Behind from where we came  
And go round and round and round  
In the circle game

Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like when you're older must appease him  
And promises of someday make his dreams

**CHORUS**

Sixteen springs and sixteen summers gone now  
Cartwheels turn to car wheels thru the town  
And they tell him take your time it won't be long now  
Till you drag your feet to slow the circles down

**CHORUS**

So the years spin by and now the boy is twenty  
Though his dreams have lost some grandeur coming  
true  
There'll be new dreams maybe better dreams and  
plenty  
Before the last revolving year is through

**CHORUS**

And go round and round and round  
In the circle game

90

I'm trying to tell you something about my life  
Maybe give me insight between black and white  
The best thing you've ever done for me  
Is to help me take my life less seriously, it's only life  
after all  
Well darkness has a hunger that's insatiable  
And lightness has a call that's hard to hear  
I wrap my fear around me like a blanket  
I sailed my ship of safety till I sank it, I'm crawling on  
your shore.

**CHORUS:**

I went to the doctor, I went to the mountains  
I looked to the children, I drank from the fountain  
There's more than one answer to these questions  
pointing me in crooked line

The less I seek my source for some definitive  
The closer I am to fine.

I went to see the doctor of philosophy  
With a poster of Rasputin and a beard down to his knee  
He never did marry or see a B-grade movie  
He graded my performance, he said he could see  
through me  
I spent four years prostrate to the higher mind, got my  
paper  
And I was free.

### **CHORUS**

I stopped by the bar at 3 a.m.  
To seek solace in a bottle or possibly a friend  
I woke up with a headache like my head against a board  
Twice as cloudy as I'd been the night before  
I went in seeking clarity.

### **CHORUS**

We go to the bible, we go through the workout  
We read up on revival and we stand up for the lookout  
There's more than one answer to these questions  
pointing me in a crooked line  
The less I seek my source for some definitive  
The closer I am to fine  
The closer I am to fine  
The closer I am to fine

91  
On a wagon bound for market, there's a calf with a  
mournful eye  
High above him there's a swallow, winging swiftly  
through the sky

### **CHORUS:**

How the winds are laughing, they laugh with all their  
might  
Laugh and laugh the whole day through, and half the  
summer's night  
Dona, Dona, Dona, Dona; Dona, Dona, Dona, Don.  
Dona, Dona, Dona, Dona; Dona, Dona, Dona, Don.

"Stop complaining!" said the farmer, "Who told you a  
calf to be?  
Why don't you have wings to fly with, like the swallow  
so proud and free?"

### **CHORUS**

Calves are easily bound and slaughtered, never knowing  
the reason why  
But whoever treasures freedom, like the swallow has  
learned to fly

### **CHORUS**

92  
Galileo's head was on the block  
The crime was lookin' up the truth  
And as the bombshells of my daily fears explode  
I try to trace them to my youth

And then you had to bring up reincarnation  
Over a couple of beers the other night  
And now I'm serving time for mistakes  
Made by another in another life time

### **CHORUS:**

How long 'til my soul gets it right  
Can any human being ever reach that kind of light  
I call on the resting soul of Galileo king of night vision  
King of insight

And then I think about my fear of motion  
Which I never could explain  
Some other fool across the ocean years ago  
Must have crashed his little airplane

### **CHORUS**

I'm not making a joke  
You know me I take everything so seriously  
If we wait for the time till all souls get it right  
Then at least I know there'll be no nuclear annihilation  
in my life time  
I'm still not right

I offer thanks to those before me  
That's all I've got to say  
'Cause maybe you squandered big bucks in your lifetime  
Now I have to pay

But then again it feels like some sort of inspiration  
To let the next life off the hook  
She'll say look what I had to overcome from my last life  
I think I'll write a Book

### **CHORUS**

93  
Christopher Robin and I walked along under branches lit  
up by the moon  
Posing our questions to Owl and Eeyore as our days  
disappeared all too soon  
But I've wandered much further today than I should and  
I can't seem to find my way back to the Wood

### **CHORUS:**

So help me if you can I've got to get back to the House  
at Pooh Corner by one  
You'd be surprised there's so much to be done  
Count all the bees in the hive  
Chase all the clouds from the sky  
Back to the days of Christopher Robin and Pooh

Winnie the Pooh doesn't know what to do, got a honey  
jar stuck on his nose  
He came to me asking help and advice and from here no  
one knows where he goes  
So I sent him to ask of the Owl if he's there, how to  
loosen a jar from the nose of a bear

**CHORUS**

94  
If I had a hammer (bell, song), I'd hammer (ring, sing) in  
the mornin'  
I'd hammer (ring, sing) in the evenin', all over this land  
I'd hammer (ring, sing) out danger, I'd hammer (ring,  
sing) out a warnin'  
I'd hammer (ring, sing) out love between my brothers  
and my sisters  
All over this land  
If I had a bell...etc.  
If I had a song...etc.

Now I got a hammer, and I got a bell, and I've got a song  
to sing, all over this land  
It's the hammer of justice, it's the bell of freedom, it's a  
song about love between my brothers and my sisters  
All over this land  
*REPEAT THE LAST FOUR LINES*

95  
Down the way where the nights are gay and the sun  
shines daily on the mountain top,  
I took a trip on a sailing ship and when I reached  
Jamaica I made a stop

**CHORUS:**

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

Sounds of laughter everywhere as the dancing girls  
swaying to and fro,  
I must declare my heart is there, though I've been from  
Maine to Mexico

**CHORUS**

Down at the market you can hear ladies cry out while  
on their heads they bear,

Aki rice, salt fish on ice, and the rum is fine any time of  
year

**CHORUS**

96

All my bags are packed, I'm ready to go,  
I'm standing here outside your door,  
I hate to wake you up to say good-bye  
But the dawn is breaking, it's early morn,  
The taxi's waiting He's blowing his horn  
Already I'm so lonesome I could die

**CHORUS:**

So kiss me and smile for me,  
Tell me that you'll wait for me,  
Hold me like you'll never let me go  
'Cause I'm leaving on a jet plane,  
Don't know when I'll be back again.  
Oh babe, I hate to go

There's so many times I've let you down,  
So many times I've played around,  
I tell you now they don't mean a thing  
Every place I go I'll think of you,  
Every song I sing I'll sing for you,  
When I come back, I'll bring your wedding ring

**CHORUS**

Now the time has come to leave you,  
One more time let me kiss you,  
Close your eyes, I'll be on my way  
Dream about the days to come  
When I won't have to leave alone,  
About the times I won't have to say

**CHORUS**

97

**SPOKEN:** Way down yonder where the badman are  
And the only thing to guide you is the evenin' star,  
Is the roughest, toughest, man by far,  
He's Ragtime Cowboy Joe

He always sings ragtime music to the cattle as he swings  
back and forth in the saddle,  
On a horse, pretty good horse, a syncopated gaiter  
It's such a funny meter to the roar of his repeater,  
As he rides, you can hear the folks a shoutin'  
'Cause the western folks all know

He's a high falootin' rootin' tootin'  
Sun of a gun from Arizona  
Ragtime Cowboy, talk about your cowboy, Ragtime  
Cowboy Joe

98

**CHORUS:**

Today while the blossoms still cling to the vine,  
I'll taste your strawberries,  
I'll drink your sweet wine  
A million tomorrows shall all pass away,  
'Ere I forget all the joy that is mine, today.  
I'll be a dandy and I'll be a rover,  
You'll know who I am by the songs that I sing  
I'll feast at your table, I'll sleep in your clover,  
Who knows what tomorrow may bring?

**CHORUS**

I can't be contented with yesterday's glory,  
I can't live on promises winter to spring  
Today is my moment, and now is my story,  
I'll laugh and I'll cry and I'll sing

**CHORUS**

**PATRIOTIC SONGS**

99

My country 'tis of thee, sweet Land of Liberty  
Of thee I sing  
Land where my fathers died!  
Land of my Pilgrim's pride!  
From every mountain side,  
Let freedom ring

100

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountains majesties,  
Above the fruited plain  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood,  
From sea to shining sea

101

God bless America, land that I love  
Stand beside her, and guide her,  
Through the night with the light from above  
From the mountains, to the prairies,  
To the ocean, white with foam  
God bless America, my home sweet home

102

It's a grand old flag, it's a high flying flag,  
And forever in peace may it wave  
It's the emblem of the land I love  
The home of the free and the brave  
Every heart beats true for the red, white and blue  
Where there's never a boast or a brag,

Should old acquaintance be forgot,  
Keep your eye on the grand old flag

103

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last  
gleaming?  
Whose broad stripes and bright stars thru the perilous  
fight,  
O'er the ramparts we watched were so gallantly  
streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still  
there  
Oh, say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave

Oh, great big Lake Sebago is a Lake way down in Maine to describe it, I would never never try

It's a place that you would long for in the sunshine or the rain

There's a camp widely famed nearby, there's a camp widely famed nearby

And every single summer from the dust and heat of town

Care behind them, come the merry girls and boys

They have longed for Camp O-At-Ka all the busy season through

And they never weary telling of their joys

O-At-Ka O-At-Ka shout its praise and let its echo cheer on, cheer on

Far lands we may wander, yet our hearts will shrine its memories dear

113

Put your foot on the soft, soft, SHHH, soft pedal, SHH SHH

Don't make any noise.

For there's someone here who's not come to meddle, but to add to our joys

Oh, \_\_\_\_\_, here's to you, you're a good sport through and through

So put your foot on the soft, soft, SHH, soft pedal, SHH, SHH

So put your foot on the loud, loud, BANG, loud pedal, BANG! BANG!

Make lots of noise!

*Sung to the tune of "If You're Happy and You Know It"*

We've been sitting here too long and we can't bear it,

We've been sitting here too long and we can't bear it,

If you have some news then share it

'Cause we really want to hear it,

We've been sitting here too long and we can't bear it

117

We know you'll find us hard to beat, hard to beat

We've been waiting, waiting for this day,

Be it victory or defeat

Welcome here, we're glad to see you,

Do not let our looks deceive you,

'Cause we're females, we have lots of spunk and WE CAN FIGHT

So beware, William Lawrence team, beware, yes, beware,

Our aim is good and we'll be fair, we'll be fair

We'll hang you from a weeping willow tree

And raise the flag for Fleur de Lis, Rah, Rah
